I am not currently married, nor do I have children yet. In addition to being the head coach in Rudyard, I am the Athletic Director. I also teach Social Studies at Pickford High School.

My schedule is extremely busy so I don't spend a lot of times on hobbies, but am an avid reader. My strongest interests are history, politics, sociology, organizational management and psychology. Also, during the NFL seasons I cannot be reached when the Cincinnati Bengals are playing, as I am an avid fan.
